

LEADERSHIP COACHING

Leaders need trusted companions for the journey.

Our contemporary missional context presents unique ministry challenges and demands. Leadership coaching is for leaders exploring new territories who want to gain the most from their efforts.

Drawing on years of experience in church leadership and cultural change, Ecclesia Leadership can guide you through missional challenges, offering strategic assistance to move forward.

Coaching sessions are tailored to your individual needs in your leadership context, prioritising your development, effectiveness and personal wellbeing. Ecclesia Leadership will help you set measurable goals to learn as you go, using personal/organisational missional tools and paradigms as needed.

OPTIONS

Ecclesia Leadership customises your coaching journey.
Choose from two options:

1. Action/Reflection

- Focus on leadership issues you bring to each session.
- Draw on Ecclesia Leadership experience as you engage in a supportive cycle of goal-setting, reflection and action.

2. Coaching/Training

- Tailored to your needs and context, Ecclesia Leadership provides a customised training program focussing on self-leadership, leadership of others and organisational leadership.
- Expert guidance from Ecclesia Leadership supports you to assess, plan and act to achieve your goals.
- Further enrich your personal growth with optional personality review tools, including enneagrams and 360 surveys.
